Scenario:

Tasks:
1. **Make an account and add your major and minor**
2. **Sign in and check your classes and when they are and then sign out.**
3. **Add times and what classes you have in the calendar, report your grade averages in your classes**

Notes-
Things to keep:
- **Login screen**
- **Calendar with organization**
- **Signing out of your account**

Things to change:
- **Needs a back button**
- **Entering in data**
- **Reassuring page for links and classes to double check/go back if not finished**
